

TILE FINISHER APPRENTICESHIP

BUILD YOUR FUTURE!

Our Tile Finisher Apprenticeship Program will train you in everything that you need to start your new career in the tile industry. We equip you with all the essential skills and tools that will allow you to be successful as you begin your new path as a Tile Finisher, who work directly with Tile Installers as highly-skilled assistants.

Not only do we train you, but we can also help connect you with available jobs before and during the Apprenticeship.

This program is designed for individuals with limited experience in construction and tile work, but is open to anyone wanting to start a career in the trades.

What does a Tile Finisher do?

Stage and Layout Jobsite • Surface Prep • Mix mortar and grout • Supply Tile Installer with mortar and tile • Cut marked tiles to size • Apply grout • Clean tile • Protect tile surface after the grout has cured • Apply Caulk • Other Worksite/Tool Maintenance and Housekeeping • Assisting and communicating with Tile Setters

What does the program look like?

4 Weeks of Workshop/Classroom Training
12 months - On-The-Job Training
1 Week of Review
1 Week of Assessment

What happens after I finish the program?

Upon completion of all requirements, Apprentices are awarded a Recognized Certificate for Tile Finishing by the Department of Labor. Completing this program also qualifies employees to apply for our Tile Installer Apprenticeship Program. There is a large shortage of construction workers in general, and a particularly large need for trade workers with tile installation skills.

How much does this cost?

Financial assistance is available to cover anywhere from 50% - 100% of the cost of the program. Please contact the Academy to find out what you may qualify for!
