

# WOOD CREATIVE PROGRAM

**EXPLORING THE FOUNDATIONS OF WOODWORKING**

## Workshop Objective

In this program, participants will learn the woodworking basics skills. They will gain an understanding of the safe use of hand and power tools, how to measure properly, milling techniques, and finishing the project.

## Workshop Overview

Participants will start the workshop by building birdhouses and workbenches. They will re-signify the meaning of these projects and will approach them creatively. This program aims to provide an energetic craft environment to encourage the development of new skills and challenge creative talents.

## Participants

Anyone interested in exploring woodworking skills.  
Up to 20 participants.

## Program Dates

June 5th to 9th, 2023  
November 13th to 17th, 2023
